We have brought about tremendous metamorphosis in terms of inculcating legal education through innovative pedagogy. More importantly astride the mandatory curriculum, our institute has rightly entered the realm of legal research, to open up the minds of our students in consonance with the demands of globalization and sensitize you to the current developments in the legal arena.

ABOUT THE COMPETITION

- ❖ Through this competition, the Seminar Department, DES SNFLC, envisions to imbibe the art of writing judgments among students and encouraging them to abide by the stipulated timelines. The students are given the exposure of assuming the role of a 'JUDGE'.
- ❖ The primary aim is to boost various skills amongst the students, such as – enhanced research, possible criticism against the existing judgment, addition of contemporary legal reasoning coupled with the existing one, substitution by a new judgment - to name a few.
- ❖ The greatest vision of this competition is to provide an enriching experience of dual-tasking i.e. creative lawyering and innovative judging, to all students.
- ❖ Students are also guided to practice the art of judgment writing within the bounds of judicial process, enabling their judgments to be guidelines or tipping points which the judiciary in real time may employ.
